Dear Sir: Will you please send me 3 gold dollars on approval. A young lady here wants one and would like to make a choice so if you will send 3 I will return 2 and keep 1. Want them in fairly good condition, but not too expensive; also send me a mill.

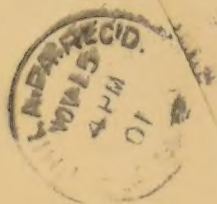

African money I think. It is a small piece with a square hole in the centre. also two or three other copper pieces that I can sell cheap.

Hoping that I am not asking too much. believe me

Respectfully
R A Lee
